9429 Maria Lane | Orland Park

Newly constructed in Charleton Highlands, a new subdivision of Single Family Detached Townhomes with a homeowners association that takes care of your lawn and snow removal. This magnificent two story offers modern amenities plus energy efficiency. Features include: vaulted ceilings, hardwood floors, granite, quartz, stainless appliances, 2-panel solid doors, 3 bedrooms, 2 1/2 baths, master suite with walk in closet and private bath with separate shower and soaker tub, separate vanities for his and hers. Separate dining room, breakfast room, sitting area and living room with fireplace give this a great room feel but with elegance and space for entertaining. Enjoy sunny days on your deck. 2445 square feet of living space plus a full walk out basement with patio doors that lead to a patio. Roughed in plumbing in basement ready for you to finish. You name it the builder put it in this beautiful brand new home. Ready today!
